## Mandala Free Practice Set

### **Inside This Pack:**

- Carefully crafted mandala practice sheets, designed for joy and mindfulness
- Handmade with love & digitally transformed for easy use across print and digital formats.
- Includes 6 original pattern sheets — exclusive designs by Kalika Studios (PDF, PNG, JPG formats)
- Ideal for both beginners and enthusiasts to explore and enjoy the art of mandalas

### **How To Use:**

#### **For Physical Practice:**

- Print these sheets at your preferred size
- Trace the patterns on the sheet for practice
- Use the adjacent blank space to redraw the designs freehand for skill-building

#### **For Digital Use:**

- Open these sheets in Procreate, Adobe Fresco, or any drawing app of your choice

Every line you draw, every curve you create, is a step into calmness, creativity, and joy. Let your art bloom beautifully – at your own pace, in your own way.

# Lines (Borders)

Simple and graceful border and divider patterns to introduce line control, flow, and symmetry.

*Every line you trace, every curve you create, is a journey inward  
— toward calmness, focus, and creative joy.*

This **Practice Set** from **Kalika Studios** is designed to help you explore the beauty of symmetry, patience, and mindfulness through art. Whether you choose to draw by hand or practice digitally, these patterns offer you a space to pause, breathe, and bloom creatively.
